

If you are like me, you probably have a stack of unfinished projects, "fondly" known as Unfinished Objects or UFOs. Whether you ran out of time, didn't have the right materials, or just got sick of the thing, unfinished projects pile up easily. They also take up a lot of space! Therefore, we are encouraging you, our customers, to make a resolution this year to clean out some UFOs. So, get ready for a UFO Challenge! This year, we're once again challenging ourselves and our customers to finish up to 12 UFOs!

Follow instructions below for a productive year of sewing!

## Instructions

1. By the end of the year, you could have 12 "OFUs (Object Finished Up)!"
2. Download the [2019 UFO Challenge entry form](#). This is a PDF form so you can type in your name, store, projects and % complete. Of course, you can print a blank form and also fill it out with a pen.
3. Fill in twelve projects that you want to finish this year. You can choose from any of your UFOs. If you have a kit you bought but never opened, or fabric you've been holding on to for too long, add using it up to the list. Any unfinished sewing project can be on the list.
4. Start working to complete your projects! Projects can be done in any order.
5. When you've completed your project, either bring it into the store along with your project list to be checked off by store staff OR bring it to Sew Fun for *Show and Tell* to be checked off. Please be sure to bring your form with you so that project can be stamped as complete.

## Rules

1. Definition of Complete: ALL DONE! That object is an OFU (Object Finished Up).
2. A project can be any type of sewing project – quilting, fashion, craft, home décor, etc.
3. A UFO project can be at any stage of completion, including “not yet started”. Ideally it should be a project that you have started, but could also be something you have been meaning to start, and likely have most of the materials already.
4. You must be a Sew Fun member to present your completed projects at Sew Fun meetings. You can join Sew Fun at any time.
5. You are responsible for keeping track of your list and for bringing your list to your local store with your completed projects.
6. Contest is conducted at each store separately.

## Grand Prize Raffle Tickets

1. You will receive one raffle ticket for the grand prize drawing for each completed project up to a total of 12 projects. If you present your OFU (object finished up) at Sew Fun you will receive an additional raffle ticket. If you cannot show your completed project, bring your completed project (or a picture of it) to your local Rocky Mountain Sewing and Vacuum store and have your finished project checked off by store staff. You will receive one raffle ticket for that.
2. If you complete 12 projects, you will receive one additional raffle ticket. This additional ticket will be awarded at the December 2019 Sew Fun Open Houses.
3. These criteria and rules along with an entry form can be downloaded [here](#).

## The Grand Prize

4. We will award a grand prize at each store at the December, 2019 Christmas Sew Fun Open Houses.
5. Winners of the grand prizes will be determined by random drawing of names of those entered as projects were completed.
6. Winners of the grand prizes need not be present at the Christmas Sew Fun Open House to win.
7. Only one grand prize per person, even if they have raffle tickets entered at multiple stores.

**The Grand Prize Drawing winner at each store will receive a \$500 gift card to Rocky Mountain Sewing and Vacuum.**
